

SAEP 2009

Drop Off/Pick Up and Parking Rules

Orientation/First Day (June 28/29)

Please purchase a \$5 parking pass for both the orientation and the first day of school. You can purchase your parking pass at the Info Booth 2 (on Prairie Street) or at Info Booth 1 (on Lindley Avenue). You will be parking in Lot B6 and walking your students across the street to Cleary Court. Please follow all posted parking rules. (See map at saep.net/about/directions.)

There are three parts to the Orientation on June 28 anytime between 5-7pm. First, you will meet with the Administrators, and a few, representative faculty members, in the Nioski Auditorium. Then you will have the opportunity to meet with the office staff and complete any paperwork. And then, parents will be able to go on a campus tour with our teacher's assistants.

For the first day of school, June 29th, you will find your child's 1st period teacher standing next to the name of the class posted on the palm trees in Cleary Court. The 2nd period teacher will bring the students back to Cleary Court after class and you can pick up your child in the same place you dropped him/ her off. From here, you can decide upon a good meeting place, based on classroom assignments, for the remainder of the program.

After the first day of school, you do not need to park your car because we have TAs who will help with foot traffic from the different lots, and help students get to their classes. Just drop your child off in the lot that is closest to his/her classroom (find the corresponding lots below). If you need to park, please buy a day pass from the Info Booths mentioned above.

Drop Off/Pick up during the Program

We have coordinated drop off, pick up, and parking with the campus Public Safety/Parking Service office. If you do not follow the procedure you are subject to a ticket. Please drop off and pick up your student in the designated lot to ease traffic and help ensure the safety of all students. DO NOT stop on the sides of streets. Please pull into one of the lots and then stop your car (make sure and stay with your car unless you have purchased a parking pass). Thank you for your consideration of all drivers.

For classes in the Education building, use lot B6 [on N. University Dr. (Plummer)].

For classes in Jacaranda Hall, use lot B6 (on Plummer) or lot E6 (on Halsted).

For classes in Sierra Hall/ Manzanita, use lot B3 (on Etiwanda and Prarie).

For classes in the Art Design Center, use lot D6/E6 (on Halsted).

For classes in Juniper Hall, use lot B6 [on W. University Dr. (Etiwanda)].

For classes in Redwood Hall, use lot E5 [on E. University Drive (Lindley Ave)].
